You Should Check Your Credit Report Once Every 12 Months

These are some reasons to do so:

IT'S AN IMPORTANT STEP IN REBUILDING AND

MAINTAINING GOOD CREDIT.

Reviewing your credit report will help you make sure it is in good shape when you are ready to apply for new credit and enable you to monitor your progress if you are recovering from past credit problems.

IT'S AN IMPORTANT PART OF MANAGING YOUR PERSONAL FINANCES.

You should review your credit report just like you do your credit union/bank statements and credit card bills.

IT'S OFTEN THE FIRST INDICATOR THAT YOU ARE AN IDENTITY THEFT VICTIM.

If you find names you don't recognize, Social Security numbers that don't belong to you, or accounts that aren't yours, you might be a fraud victim.

Get your free credit report from each of the national credit reporting agencies at www.annualcreditreport.com.
